

# INDIANHEAD LEHIGH NEIGHBORHOOD ASSOCIATION

## 2022 MEMBERSHIP DRIVE

---

The Indianhead Lehigh Neighborhood Association (IHLNA) has about 850 households.

- Every household receives a hand-delivered newsletter in the spring and fall.
- About 500 neighbors are on the IHLNA email distribution list.
- About 25-30% have paid membership dues to the neighborhood association.

### HERE'S WHAT WE DO WITH YOUR MEMBERSHIP FEES:

- sponsor many family-friendly events throughout the year;
- produce a semiannual newsletter that updates neighbors about local events and issues;
- coordinate an annual neighborhood yard sale;
- provide volunteer and financial support for Hartsfield Elementary, our neighborhood school;
- fund educational and social projects that benefit the immediate and larger community;
- support Neighbor to Neighbor in the Nenes, which helps elders age in place;
- monitor and respond to the effects of neighborhood development projects; and
- advertise the services of businesses and individuals in our neighborhood.

### OUR MISSION:

Indianhead Lehigh Neighborhood Association (IHLNA) works to maintain and enhance the character and spirit of our community as a well-maintained, safe, friendly neighborhood.

Neighbors of Indianhead and Lehigh work with city and county governments to develop specific plans that encourage safe traffic patterns for all vehicles and pedestrians, providing access throughout the neighborhood and into surrounding areas.
