NEIGHBORHOOD CRIME WATCH MEETINGS SCHEDULED

The Board of Trustees of your Neighborhood Association has decided to make Crime Watch its number one priority for this year. Together with the Tallahassee Police Department, the Neighborhood Association is sponsoring three meetings to initiate a Neighborhood Watch Program. The meetings will be held at the Parkway Baptist Church on E. Indianhead Drive and Chowkeebin Nene. You only need to attend one of the three meetings: Thursday, August 5

Tuesday, August 10

Thursday, August 12

They will be held in the meeting room at 7:00 p.m.

Please plan to attend one of the meetings, and encourage your neighbors to attend also.

We would like to thank the Parkway Baptist Church for allowing us to use their facility.

#### "NEIGHBOR LABOR" IMPROVES OUR PARK

On Saturday, June 12th, Dale Allen, Chairman of the Parks and Improvements Committee, and a hot but hearty crew of twelve assembled at Optimist Park for the second workday of our "Neighborhood Volunteers in the Park Pilot Program". By 1:30 that afternoon, they had finished the following tasks: Touch-up painted the interior walls; Patched the ceiling; Painted kitchen area; Filled in a hole in front of the building; planted day lilies behind the boxwoods and near the flag pole; and completely weeded one of the tot lots.

In all, a total of fifty-one hours of "neighbor labor" was supplied by the volunteers. While a lot was accomplished during this and the first workday las February, there is much that still needs to be done. In a letter to the City Parks and Recreation Department reporting on the workday, Dale outlined a long list of ideas such as: more interior painting and entire exterior painting of the building; replacement of the windows in the building; improved ventilation and additional landscaping.

The City Commission and the Parks and Recreation Department have been crucial to this program by providing materials and other assistance. They recently installed a security light on one side of the Scout House. We look forward to their continued cooperation as we work together for the betterment of our park.

#### MEMBERSHIP REPORT

The 1982 Membership Drive is now complete. The result is that the Neighborhood Association has 126 members. Your support and involvement is greatly appreciated.

There are 838 homes in our neighborhood, so many of our neighbors do not belong to the Neighborhood Association. The Newsletter is sent only to members. If you know someone who wants to join, they can send their name, address, phone number, and a check for \$5 made payable to ILNA to Stan Anderson, 1807 Atapha Nene.

#### NEIGHBORHOOD MAP COMPLETED

In this newsletter you will find one version of the Neighborhood map which was recently completed. It is the result of many hours of work by the Board of Trustees and should be a valuable tool in planning the crime watch and other neighborhood programs. A special thanks to Nancy Dowdy of the Tallahassee-Leon County Planning Department who prepared the base map.
