EYE OF NEWT, TOE OF FROG...

The neighborhood Halloween Party will be on October 31 from 6:00-7:30 pm at Optimist Park. As in the past, activities, songs, refreshments, and treat bags will be provided for the youngsters, and kids and adults of all ages can participate in the Costume and Jack-o'-lantern contests. Each year the creativity of the participants amazes everyone. Plan on joining the fun with us! Come in costume, bring a snack to share, and a Jack-o'-lantern to show off. Happy Halloween!

ELECTION DAY IN THE NEIGHBORHOOD

The Neighborhood Association will be providing free coffee and juice to voters at Precinct 41 (Optimist Park Scouthouse) during the general election on Nov. 8. We are also hoping to provide some supervision of children on the playground while parents are voting. If you would like to help at the beverage table or on the playground, please call Sue Doker at 878-6718.

DO YOU HAVE A NEW NEIGHBOR?

Did you happen to notice how quickly "For Sale" signs changed to "Sold" around the neighborhood in the past few months? The Neighborhood Association would like to contact new neighbors and make them feel welcome. If you know of a new neighbor, please call Kathy Hubbard at 877-0552.

IMPORTANT PARTNERS

Indian Head/Lehigh Neighborhood Association is proud to be a Partner in Excellence with Hartsfield, Fairview, and Rickards High School. The goal of this partnership is to involve the community in our on-going quest to improve the schools our children attend. Specific goals for the Neighborhood Association's involvement are now being planned. If you are interested in helping out, Pat Gramling is coordinating this program for all three schools and she will welcome your call. Her number is 877-5504.

Our first goal with Hartsfield Elementary School is to participate in the Halloween Carnival to be held at the school Thursday, Oct. 27. This is a fund raiser, to benefit the school, and a real favorite of all the children. If you'd like to help out, be sure to call Pat. Your involvement will be appreciated.

HERE'S A CHEERFUL NOTE

The 8th Annual Neighborhood Christmas Carolling will be Sunday, Dec. 11. More details will be mailed to Association members later this fall.

LOVE YOUR DOG--LEASH IT!

According to city ordinances (Section 5-35) it is unlawful for you to allow your dog to run at large anywhere in the city--and it can cost you money in fines, along with impoundment of your dog. Female dogs in heat must be confined securely to avoid contact with another dog, except for planned breeding (Section 5-36). You could be fined \$25.00 for violation.

Every day pets are injured in traffic, stolen, poisoned or creating unwanted litters. They soil property, dump trash cans, cause accidents and bite people. Our pets don't have a sense of civic responsibility, so we must think for them.

So remember, confine or leash your dog, have him wear tag identification (cats, too!) and prevent unwanted litters! If you have questions about pet care, Ann Kemp of the local Humane Society is available to assist you (488-9060 or 877-3419).

GARAGE SALE SUCCEEDS AGAIN

The Neighborhood Garage Sale, Sept. 17, was both fun and profitable for all the participants. It was a chance to visit with old and new neighbors and at the same time buy (or sell) some great merchandise. Thanks to all who helped make the event a success.
