HOLIDAY PARTY & CAROLLING SET FOR DECEMBER 13TH

The residents of the Indianhead-Lehigh area are cordially invited to join their neighbors at our annual holiday carolling and party, on Sunday, December 13th, at the Optimist Park Recreation Center.

We will be meeting at the center at 5 p.m. for a brief rehearsal. We will then serenade our neighbors with enthusiastic voices.

Carollers are invited to bring their children (and flashlights too). Following the carolling, we will be gathering at the center for punch and goodies at about 7:45 p.m.

We hope that you can join us in one or both of these activities. We also invite you to help us supply goodies at our party. If you want to bring cookies or other baked goods to the party, your help would be greatly appreciated. For more information, call Ion Sancho (877-9620) or Pat Gramling (877-5504).

AWARDS PLANNED

If you want to nominate someone you think is deserving of such recognition, please contact one of your board members.

INDIANHEAD RESIDENT ON IMPORTANT COMMITTEE REGULATING GROWTH

In 1986 the state legislature required that all counties and cities start planning in order to begin controlling the rapid growth that Florida is experiencing. The Tallahassee-Leon County Local Planning Agency (LPA) is composed of 10 citizens appointed by the city and county commissioners to prepare and recommend an expanded comprehensive plan for our community. City Commissioner Steve Meisburg appointed past IHLNA President Roxanne Dow to the LPA.

In addition to familiarizing itself with state, regional and local requirements, the LPA is inviting citizens to participate in a "Futures Conference" on January 8th and 9th at the Florida State Conference Center. This conference is intended to solicit our visions of the future of our community. The conference is free, so if you are interested in how we grow in the future, this is your chance to do something about it.

The meetings of the LPA are always open to the public. For additional information about the Futures Conference call the Tallahassee-Leon County Planning Department at 599-8600, or Roxanne Dow at 877-9620.

TOY STORE TO PLANT TREES

Several neighborhood residents contacted members of the Board concerning the removal of trees in the buffer zone between Toys-R-Us and St. Augustine Rd. In response, Board President Ion Sancho contacted the toy store and was informed that it would replant trees removed for the utility easement and that additional trees would be planted in the buffer zone.

WALK FOR LIFE

A neighborhood note by
Fred Sanfilipo

HI! As I walk through our beautiful Indianhead Acres, I see many neighbors strolling. Unfortunately, walking in opposite directions is not the best way to meet and talk to new friends. So why don't we meet and walk?

(Sanfillipo cont.)

If you are interested, come to Optimist Park Saturday Dec.12, at 9 a.m. or any Saturday (same time) to meet and walk with new friends and see new streets. Walks will last between 30 to 60 minutes, and we can make up groups to suit your speed. For more information, call Fred Sanfillipo at 877-9298.

LOCAL CHURCH TO
PRESENT SINGERS

On December 16, at the Optimist Park playground, the Parkway Baptist Church Choir will perform an evening of Christmas music. For more information including times, call 877-4141.
