Helping Neighborhood Elders

Neighbor to Neighbor in the Nenes (N3) helps elders in Indianhead and Lehigh stay in their homes as long as possible as they age. See AgingInNeneland.org.

N3's founders are retiring, so the organization is recruiting new leadership. Please consider helping N3's move into the future.

N3's mission continues. Call 850-901-7818 or email ageinplace@earthlink.net for help with transportation, home and yard, meals, and a full list of services at AgingInNeneland.org.
